2016 BORCC Winchester/NRA Marksmanship Qualification Program

Pistol Qualification

Develop the skills needed to participate in NRA Action Pistol competition, as well as the basic skills required for personal protection. An NRA Basic Pistol, Personal Protection or FIRST Steps Pistol Orientation course will provide an excellent foundation of knowledge to build upon. The NRA Basic Pistol Qualification Course provides the perfect self-paced shooting activity to help develop your skills and reward your achievements.

Rimfire Rifle Qualification

Many shooters do not own a special target rifle, but thoroughly enjoy shooting over-the-counter, .22 field and sporting rifles. If you are one of these shooters, the NRA Rimfire Rifle Qualification Course is for you. Using your favorite field and sporting rifle, you can develop your marksmanship skills, progress through a series of ratings, and earn distinctive NRA Rimfire Rifle Qualification rating awards.
