

February 10, 2010

Dear Shooters:

Attached is the match report for the BORCC February 2010 IDPA Match. A whole bunch of people showed up. Mother Nature was kind to us and did not blast us with a storm until several days after the match. There were a total of 34 registered shooters. We have outdoor matches in warm weather that do not draw this many shooters. There appears to be an epidemic of Cabin Fever. Eleven demented attendees shot through the match with a second or third firearm for a grand total of 45 shooters. My only regret; I was at home sick. I did not really get up and moving until Tuesday. I am not sure what I had but I did not want to expose all of you to it.

When the smoke cleared and the dust settled, Bill Woods headed up the list of ESP shooters and has the distinction of turning in the lowest overall match time. Congratulations Bill. Mike Gorbitz shooting his red hot Glock in SSP came in first, second, and third. His first pass through the stages is the official match time but there was impressive improvement with practice. Honorable mention goes to Mr. Pete White shooting in the ESR Division. Shooting a revolver Pete produced the second best overall match time including the lowest overall stage time for three of the stages. Tom Schwenk and his revolver had a fourth lowest overall stage time. Guys, the word on the streets is: Don't mess with the revolver shooters. There was only one competitor in both the CDP and SSR divisions. Fifteen years ago, CDP dominated the match attendance. Today the SSP has eclipsed it. It is no surprise that SSR has the lowest division participation. As much as I do not like to shoot my ESR, why would I want to shoot a SSR and have to mess with speed loaders? With all these disadvantages Randy Ciesiolka grabbed the #10 slot for lowest overall match time. Like I said guys, don't mess with the revolver shooters.

The next match will be on Sunday March 7th. I know you are not going to believe this, but the match will most probably be held indoors. Have a good February. Think Spring. Shoot safe and drive safe. I hope to see all of you in March.

Richard Wonacott
