Dear Shooters:

The match attendance was strong with 36 registered shooters including three new shooters to our club. Seven individuals went through the stages with a second firearm bringing the total to 43 competitors. The breakdown was 20 in SSP, 5 in CDP, 10 in ESP, 4 in SSR, and two each in ESR and Bug 5 Shot Rev.

Heading up SSP and taking 1st place in the match was BORCC's own Vince Willemin. Hot on his heels was Mark LaValley taking both 2nd in SSP and Overall Match time. The declared top shooter in ESP is Tom Schwenk. Mark LaValley had a better time but was shooting his second firearm. Tom came in 8th overall for the match. CDP was headed up by Dale Herter finishing 17th overall for the event. BORCC's own Randy Ciesiolka came in first for SSR [no big surprise] and finished in 6th place overall [and that is with an antique wheel gun guys]. If Randy ever tries shooting a semi auto pistol there will be no stopping him. Pete White headed up ESR [again no surprise] and finished 7th overall for the match. That's right people; the 6th and 7th overall shooters were shooting revolvers. It makes a fellow weep. Two demented and Alzheimer's racked seniors went through the match with BUG 5-Shot revolvers. It was the second firearm for both of them therefore we will give Mike Hasse the top slot for the BUG Division. Every time I see them I tell them a new joke. I only have to know three jokes with them.

Honorable mention goes to Lee Fisher who is still competing shooting only weak handed. He is hopeful his strong hand will be available for using at the March match. Using the wrong hand, Lee finished up 16th overall for the match. I don't know how he does it.

Our next match will be on Sunday March 4th. The setup on Saturday will be delayed as a Hunter Safety Class will be using the indoor range building until 5PM. The setup staff needs to discuss if we want to organize the match Saturday afternoon or Sunday Morning [very early]. I would vote for Saturday. It is hard enough for me to get out of bed Sunday morning at a decent hour. The staff at BORCC hopes the new shooters enjoyed the match and will make the first Sunday of the month IDPA Match a regular event on their social calendar.

If your name was misspelled on the match report; I did the best I could with the handwriting you provided.

Note: The ICORE Match will be in May this year on the third weekend. The IDPA monthly match will not interfere with the ICORE event, so plan on shooting in May. The Forth of July is in the middle of the week so I see no reason not to hold a match the first Sunday in July. That will put us up to 12 matches in 2012. 12 in 12, I like that. Something for the Staff to consider, we are supposed to hold a Qualifier Match annually. Do we want to set up the Classifier at several of the monthly matches and those that need it may shoot it as a side match?
